Open Letter to Los Angeles Unified School District Board

Los Angeles Unified School District
Board of Education
333 South Beaudry Ave 24th Floor
Los Angeles, CA 90017

Dear Members of the Los Angeles Unified School District Board,

In this very year we as Americans have had both the pleasure of celebrating the fiftieth anniversary of the March on Washington and the disgust of watching an assault on the Civil Rights Act. We all must stand up for democracy in a manner that ensures the equal protection necessary to fend off systems that ignore the voices of the people.

Today the Los Angeles Urban League calls on LAUSD Board Members, and all those who call themselves true believers in an American democracy to take our very American ideals and give the citizens of District 1 the ability to decide who is best to represent their interest. As board members, each of you found your way to service by the very democratic process that the citizens of District 1 must be allowed to exercise.

Today you must make the decision to stand on the side of right, the side of the people, the side of our children. For our children's sake the Urban League calls on each of you to give voice to the most impacted individuals by the loss of their servant Ms. LaMotte by providing them with their constitutional right to a truly representative form of government, through the democratic process that will allow every vote to be cast in the best interest of our children.

The Los Angeles Urban League calls on the LAUSD Board to stand with the people of the District 1 by allowing them the opportunity to speak with clarity through their vote and for our children.

Sincerely

Nolan V. Rollins
President & CEO
